

## *William Bartram Scenic & Historic Highway*

March 5, 2026

Dear Northwest United for Progress Members,

On behalf of the William Bartram Scenic & Historic Highway, I want to thank you all for listening to my presentation at your recent NWUP meeting, and I especially want to thank those of you who indicated that you would like to be more active and help with projects to keep our beautiful highway scenic. We definitely got the message that you and the NWUP Club see the William Bartram Scenic & Historic Highway as a part of your community.

In the near future, look for gardening and beautification opportunities along and near the highway. And maybe with all of us working together and with others, we will have made all 17-miles of our Scenic Highway the "most beautiful and colorful" in the United States! Great results are worth trying for.

We will provide regular updates to Holly Ross for inclusion in your monthly newsletter, so look for those. The Scenic Highway also has regular meetings at Westminster Woods Senior Center, and any and all of you who would like to visit or ZOOM are welcome. I have attached the March 19<sup>th</sup> Agenda here.

Please check out our Facebook page as well for timely news and announcements, and you can send us your thoughts and ideas at all times. "See you" soon and thank you again for your great show of support for the William Bartram Scenic & Historic Highway.

Sincerely,

Joe McAnarney, Chair  
William Bartram Scenic & Historic Highway
